

# Saturday Parent and Child Class

WEST SIDE MONTESSORI CENTER

2105 N. McCord Road Toledo, OH 43615 419-866-1931

Our Saturday Class provides an opportunity for parents and children to work together in a Montessori classroom using many interesting learning materials. A teacher introduces parents to Montessori philosophy, materials, and techniques to aid them in working with their own children. Each class will include a short circle time with songs and fingerplays.

The Saturday Class is designed for young children who do not attend a weekday Montessori class and who are 13 months (must be walking) through 5 years. Either parent is welcome to participate in the class, but we request that only one parent attend on a given Saturday. Parents are welcome to take turns attending with their child.

The **Saturday Class** meets from **10:00-11:30 AM** in The Little House and Pre-Primary classrooms at the McCord Road Campus. A short **orientation meeting for parents only** will be held from **7:00-8:00 PM** on Wednesday, September 22, for the fall session; Thursday, January 6, for the winter session; and Wednesday, March 16, for the spring session. At least one parent should attend.

If you have questions, please contact Anne Spenny, Admission Director, at the McCord Campus at 419-866-1931. To enroll, please send the registration slip with payment of \$96 to West Side Montessori Center, 2105 N. McCord Road, Toledo, OH 43615.
